

JC2 Learning Experience *[Teaching & Learning]* Survey Briefing

For Students

Intent

The survey is compulsory.

The purpose of the survey is to gather feedback from all of you with regards to various aspects of your learning experience across all your subjects.

You will therefore have to provide feedback, both scale and qualitative, for all your subjects/tutors.

Range

The survey will cover the following categories:

1: Tutorials

2: Lectures

3: Practicals

4. Blended Learning

5: Homework

6. Feedback

7. Assessment

8. Teacher-Student

Relationship

9. Learning Habits

Timeline

Being Mindful

Be honest, polite and constructive in your feedback.

Think through the message you want to share with your teacher, give yourself time to think before responding to the questions because the way you give feedback also reflects on yourself as well.

It's an opportunity for your voice to be heard. So, complete the feedback by the deadline.
